WORSHIP ASSISTANT SCHEDULES

August 2010

If you would like to make the church aware of your vacation dates, we are always happy to build the *Worship Assistant Schedules* around your plans. However, please keep the following in mind:

The schedules are published by the beginning of every month and are created about 6-8 weeks in advance. For example, by July, schedules have already been created through the end of August.

If you cannot serve on your scheduled date, it would be very helpful if you could find your own substitute and then call the **church office at 766-6377** so that a change can be made in the bulletin.

An easy way to find a substitute is to switch with the person doing your same job during the week before or the week after.

If you need additional help, please contact Barb Hoyt at 766-6377 or barbhoyt@sbcglobal.net

Thank you for sharing in ministry with us.
