# WORSHIP ASSISTANT SCHEDULES

## April 2010

(including Holy Week services)

If you would like to make the church aware of your vacation dates, we are always happy to build the *Worship Assistant Schedules* around your plans. However, please keep the following in mind:

The schedules are published by the beginning of every month and are created about 6-8 weeks in advance. For example, by March, schedules have already been created through the end of April.

**If you cannot serve on your scheduled date**, it would be very helpful if you could find your own substitute and then call the **church office at 766-6377** so that a change can be made in the bulletin.

An easy way to find a substitute is to switch with the person doing your same job during the week before or the week after.

If you need additional help, please contact Barb Hoyt at 766-6377 or [barbhoyt@sbcglobal.net](mailto:barbhoyt@sbcglobal.net)

**Thank you for sharing in ministry with us.**
